

uics_state::run

```
graph LR; A[uics_state::run] --> B[uics_state::execute]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'uics_state::run'. The right box is white and contains the text 'uics_state::execute'. A dark blue arrow points from the right side of the gray box to the left side of the white box.

uics_state::execute
